To our Patrons.

Now that tax-paying time is over, we hope our Subscribers who are in arrears will come up and settle with us. The SENTINEL needs money.

**Before Mayor Edson.**  
The last was a quiet week among our Justices of the peace. Only one case before Mayor Edson deserves notice. Oliver Major being slightly "under the weather," assaulted Mr. Carl Stein and wife, and pleading guilty of the charge, was fined \$10 and cost.

**Personal.**  
Messrs. McCreary and Dopp, publishers and Editors of the Rock Port Journal, and Dr. R. Buckham, of Phelps City, called on us at our sanctum. These gentlemen represent Atchison county in a high state of prosperity. Proprietary, they say, has greatly risen in value along the line of the proposed Quincy and Brownville Railroad since the surveys were made.

**The new Amended City Charter.**  
Our representative in the Legislature, the Hon. J. H. Glenn, informs us, that the new amended charter for the city of Oregon has passed both houses, and will soon receive the signature of the governor. Our approaching city Election will be held in pursuance of the new charter. Mayor, nine Councilmen, a City Marshal, and Assessor are to be chosen.

**Urgent Notice.**

KOKOMO, Ind., August 16, 1860.

**DR. ROBACK—Dear Sir:**

It is to you and the public, more especially afflicted, to say that I have given your invaluable Scandinavian Blood Purifier

fair trial in a number of cases of dis-

eases arising from unhealthy blood, in all of which it has exceeded my expecta-

tions, and came fully up to its recom-

mendations. I do, therefore, with pleasure, recommend it to all the afflicted

whose disease indicates a remedy of that

description.

Yours truly,

REV. JAMES HAVENS.

Candidates.

We have patiently waited for some of our patriotic fellow-citizens to announce themselves as candidates for the various municipal offices to be voted for on the 1st Tuesday in April, but as yet no one has "offered" himself. Besides the mayor, Constable, &c., there are five Candidates to be elected for the Western Division of the City, and four for the Eastern. It is necessary that these candidates should be men who have an abiding interest in the prosperity, and who will take some pride, in the growth of the City. In order to be eligible to office, it will be necessary to be that every candidate take the required oath some time before election day.

**School Directors and Teachers.**

I have just received (under date of March 19, 1870) a letter from the State Superintendent, who says: "The school law has been very materially changed."

Three directors are to be elected for one year instead of one. Directors make their reports of estimates &c., or before the third Saturday in April.

I shall send out the law as soon as it can be printed."

As soon as copies of the law reach me they will be forwarded to the sub-directors of the several townships of the county. In order to accomplish this desirable end, the township clerks will materially aid in this work if they will forward to me the name and post office address of the clerk of the school board of each sub-district.

The regular and only days upon which teachers will be examined, will be the fourth Saturday of each month.

STEPHEN BLANCHARD.

**Two Lectures.**

Arrangements have been perfected by which Prof. S. M. Hewlett, of Addington, N. J., will deliver two lectures in Oregon, on Tuesday and Wednesday the 29th and 30th days of March. Subject, the first night: "Hits at the Times." The subject for the second evening will be on the humorously exciting topic, "Muzzle that Dog." From the great celebrity of Professor Hewlett as a public lecturer, being second only to John Gough, our citizens may expect an entertainment of rare merit.

Below our readers will find some of the comments of the press, on Prof. Hewlett as an orator:

Mr. Hewlett's lectures at Bush's Hall on Friday and Saturday evenings were very entertaining. Most of the people here missed the most rich, racy and earthy speaking discussions that have ever been delivered in the Hall. Mr. Hewlett's satire is keen, but his shafts are sent with such imitable good humor and rare mimicry as to make those laugh who are hit the hardest. As a humorous and delineator of all sorts of characters, Hewlett excels Gough. We want to have more good things from Hewlett, and hope he will come this way during our next "lecture season." —*Penn Yan Democrat*, New York.

The Homeopathic Lecture.—The rare powers of this celebrated orator were finally brought out in his lecture at Corning Hall, last evening, on "Hits at the Times."

Mr. Hewlett adds to a fine address and cultured elocution, a most remarkable faculty of acting a story, even to the finest touches of mimicry. He reduces for the time, and with singular versatility, the peculiarities, language, with tone and diction, of people in all conditions of life, and of nationalities. —*Advertiser and Union Advertiser*, New York.

We heard S. M. Hewlett's lecture on Monday evening, and venture to say that such another was never delivered in our city before, for humor, for satire, for eloquence, for power of declamation, for aptness of illustration. The annals of speech-making knows no parallel. His side-shaking anecdotes, his mimicry and mockery are infinite.

**Gold is Down and Greenbacks are up!**

Gold is coming down and business is fast assuming the old standard. Kreck & Hersberger are just receiving their usual heavy stock of Spring Goods, consisting of a very superior stock of Dry Goods of endless variety. A full stock of Notions, Boots, Shoes, Hats, Caps and ready-made Clothing may also be found at their store. **Fresh Bread at Sherman's.**

Accessions.

Appreciating our splendid soil and taking advantage of the superior inducements offering, Holt County is receiving constant accessions to its population. We have recently conversed with new comers from New York, Indiana, Illinois and other states, who have come to throw their lot with us. They come to stay. There are some among them who will buy out some of the older settlers and others will break new ground and make new farms.

**ST. LOUIS MARKETS.**

ST. LOUIS, March 21.

Tobacco—Strong, and at full price. Cotton—Steady, at 22¢.

Hemp—Dull, at \$1 18@1 40 for fair to

choice unbroken. Call and see me.

**THE LADY'S FRIEND FOR APRIL.**

The April number of this popular magazine comes to us with the freshness and life of spring. In the steel plate "On Guard," the alert watchfulness of the dog contrasts finely with the repose of the sleeping boy. The Colored Fashion Plate is gay and graceful as usual; and the profusion and variety of illustrations of articles of feminine use and adornment give the ladies every opportunity to know how to dress well. Those who like to make for themselves will find assistance in the worktable department. Music, "Tapping at the Garden Gate." The stories are very good. Mrs. Moulton concludes the deeply interesting serial, "Did he forget her?" Miss Prescott carries on "THE CASCADING AUNT" in her usual lively style. Harriet Boyer's "Scout-Girl's Story" will be found especially attractive, and there is a rich variety beside prose and poetry. Published by Deacon & Peterson, 319 Walnut Street, Philadelphia. Price \$2.50 a year (which also includes a large steel engraving). Four copies, \$6. Five copies (and one gratis), \$8. "The Lady's Friend" and "The Saturday Evening Post," (and one engraving), \$10.

**TO CONSUMPTIVES.**

The advertiser, having been restored to health in a few weeks, by a very simple remedy, after having suffered several years with a severe lung affection, and that dread disease, consumption—is anxious to make known to his fellow-sufferers.

To all who desire it, he will send a copy of the prescription (free of charge), with the directions for preparing and using the same, which they will find a sure cure for Consumption, Asthma, Bronchitis, etc. The object of the advertiser in sending the prescription is to help others suffering from the same disease. —*John H. Odgen, No. 2 Cedar street, New York.*
